Have you heard of OwlCrate? Or Fab Fit Fun?

Our new GPL subscription box is a lot like that...but it's FREE!

At GPL, we're always looking for fun ways to connect readers with our collection of books, so that's why we came up with a book "subscription" box! We want to help you find "YOUR NEXT FAVORITE BOOK", and we know it's in the library's collection!

Each subscription is for 2 months. You'll receive two books from GPL's collection selected according to your reading tastes, fun swag that you get to keep, and an activity to make the reading experience even more interactive! To sign up today, visit www.greenwoodlibrary.us/bookbox!
