Teen Film Fest highlights teen talent

Greenwood Public Library announces 9th Annual teen film fest

The 9th Annual Teen Film Festival will take place on Wednesday, May 2, 2018 at Greenwood Public Library. The Teen Film Festival was created to highlight the talents of student filmmakers, introduce teens to new technology, and to award creativity and encourage further study in the arts. "We believe this event is an excellent way to highlight the passion and talents of student filmmakers, providing them with a creative outlet and the opportunity to explore the arts in an exciting way," event coordinator Emily Ellis stated.

Students in grades 9-12 are welcome to submit a film of their choice that fits into one of four categories: documentary, feature film, music video, or book trailer. The festival winner will receive a \$400 cash prize, while four honorable mentions will receive an award of \$125. Entries may be submitted through Monday, April 23rd.

The program is offered free of charge and sponsored by Greenwood Public Library and the Johnson County Public Library. For festival guidelines and other information, please visit the Teen Film Festival webpage <http://www.greenwoodlibrary.us/teenfilmfestival>.
