Dare to Dream . . . . .  
of things to come,  
of things to be,  
of things to do,  
of things to see . . . . .

Dare to Dream . . . . .  
to set your goals,  
to run the race,  
to pay the toll,  
to win the prize . . . . .

Dare to Dream . . . . .  
like men of old  
like men of vision,  
like men so bold,

Dare to Dream . . .  
or you'll never be,  
you'll never care,  
you'll never see . . .  
You'll never reach the goal you set,  
You'll never see what isn't yet,  
You'll never know the pain of striving,  
You'll never know the victory of arriving,  
You'll never climb above the stars,  
You'll never accomplish more than you are.

## Rain drenches Homecoming '72 festivities

Homecoming, as always, brought observance of many old traditions. Festivities began when the GCHS Marching Woodmen led the parade through downtown Greenwood. Halftime activities brought the announcement of Trina Tuccio as the 1972 Homecoming queen. Having worked furiously throughout Homecoming Week, the Freshmen took first place honors in the float competition with their slogan, "Eat 'Em!" This added support seemed to do the job as our rainsoaked Woodmen defeated the Plainfield Quakers, 22-20.

## Two major productions features of music department

The music department produced two musicals this year, "The Sound of Music" and "You're a Good Man, Charlie Brown." "The Sound of Music," produced in November, was the story of the Von Trapp family and their flight from Austria when the Nazis took over. It featured Cindy Burr as Maria, Louis Waite as Captain Von Tropp, Mary Lay Loos as Elsa, Ren Miller as Max, and Amanda Murray as the Mother Superior. The show played to the largest GCHS audience ever.

March brought the production of "Charlie Brown," a series of blackouts about the adventures of the "Peanuts" character. The show was done with a double cast, short and tall, backed by pianos, drums, and marimba. Both nights were again successful.

## State Fair, halftime shows feature marchers

State Fair Band Contest began the marching season for the Woodmen Marching Band. Special routines for football halftimes, when the field was dry enough, featured the many talents of the band. During basketball season the band provided the pep for the cheerblock while the Pom Pon girls performed at half-times.

## *Music department loses both band, choir directors*

The Spring Music Concert was not only the final performance for Concert Choir and Symphonic Band, but also the last to be directed by Mr. Walter Lamble and Mr. David VanVeld. Both directors moved on to better jobs, Mr. VanVeld to Florida and Mr. Lamble to Iowa. They had been a team at GCHS for several years and built both band and choir into top performing groups. The Music Parents honored them at a reception following the concert.

## Graduation symbolizes beginning for Seniors of '73

Commencement is not the end but the beginning for Seniors. After twelve years of schooling, the Class of 1973 graduated on May 18, 1973, a warm, muggy evening in the gym.

The class colors of green and gold were used for the gowns and white roses, the class flower, were given to parents by graduating seniors. The class motto was from Alfred Lord Tennyson, "To Strive, To Seek, To Find, and Not To Yield."

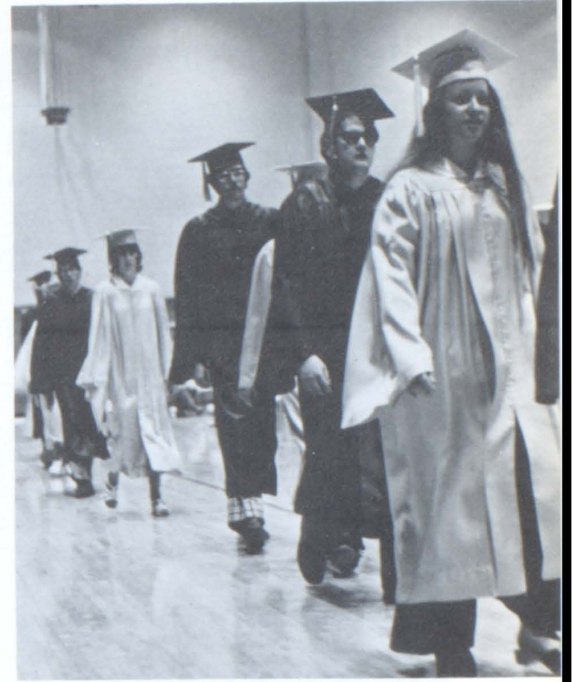

Representing the class as speakers were Jeff Dine, Sherri South, Terry Hankins, Marylynn Fletcher, and Kathy Fletcher.

ABOVE — The first sign of approaching graduation is measuring for caps and gowns. John Garrison and Holly Dawson reflect the attitudes of Seniors as they were measured.

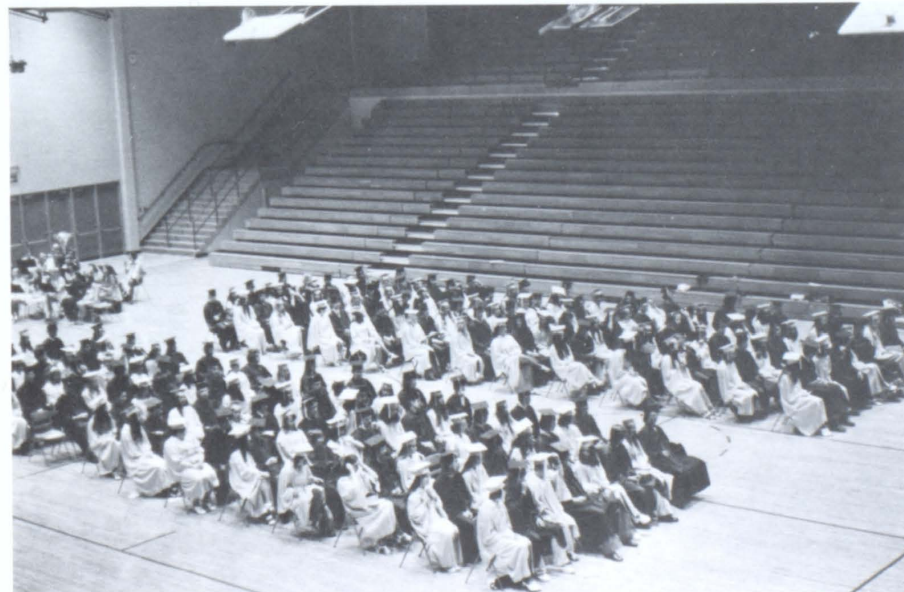

*TOP* — The band practices numbers for commencement.

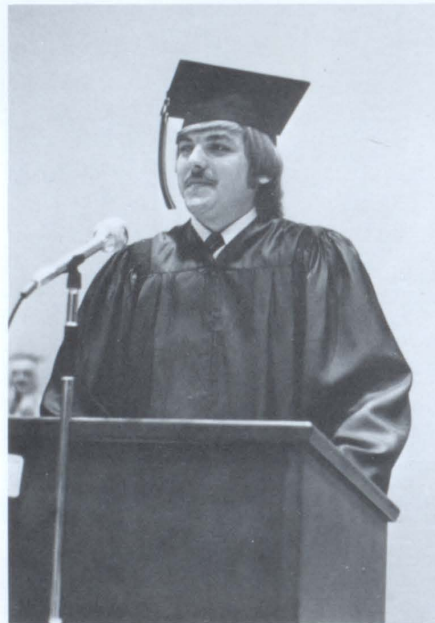

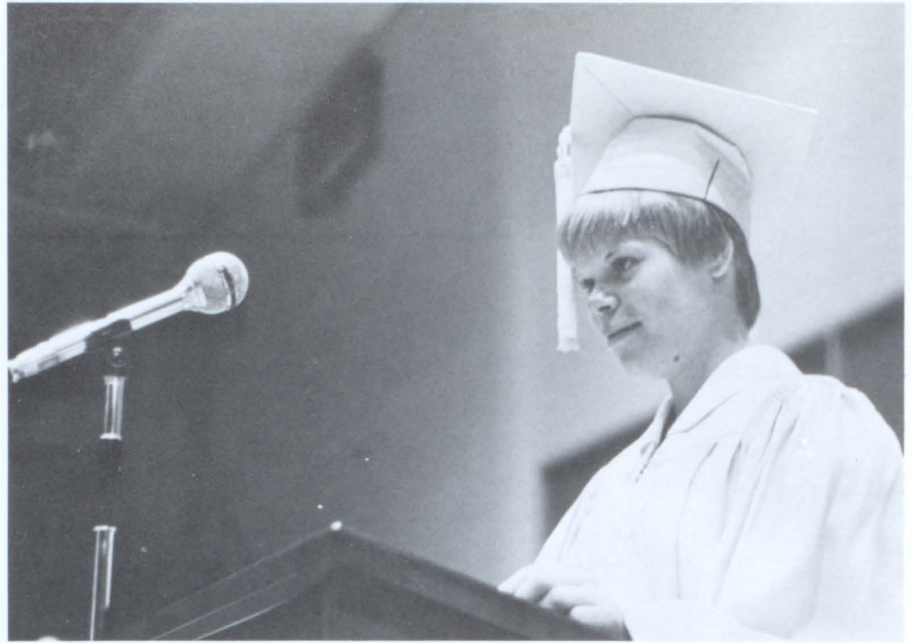

*TOP RIGHT* — The recessional as well as the processional were practiced and practiced again.

*LEFT* — The hard part of the processional was keeping spaced apart and even with the person on the opposite side of the gym.

*BELOW LEFT* — Finally seated the class listens to instructions from the podium.

## *Prom creates memories for Juniors, Seniors*

The music of The Light Touch floated through the Franklin Room at the Franklin College Student Center for the Junior-Senior Prom. "One Shining Moment," the theme this year, was carried out in red and white with white columns around the room.

After the Prom students went to the Franklin Skate Club to roller skate, dance, and play games as guests of the Junior parents.

## *Cheerleaders backbone of school spirit*

The cheerleaders are the backbone of the spirit in the school. Their efforts have been appreciated by the coaches and teams. In addition to leading cheers at the games they have kept the school jumping with original songs on Fridays, signs, posters, and spirit boosters.

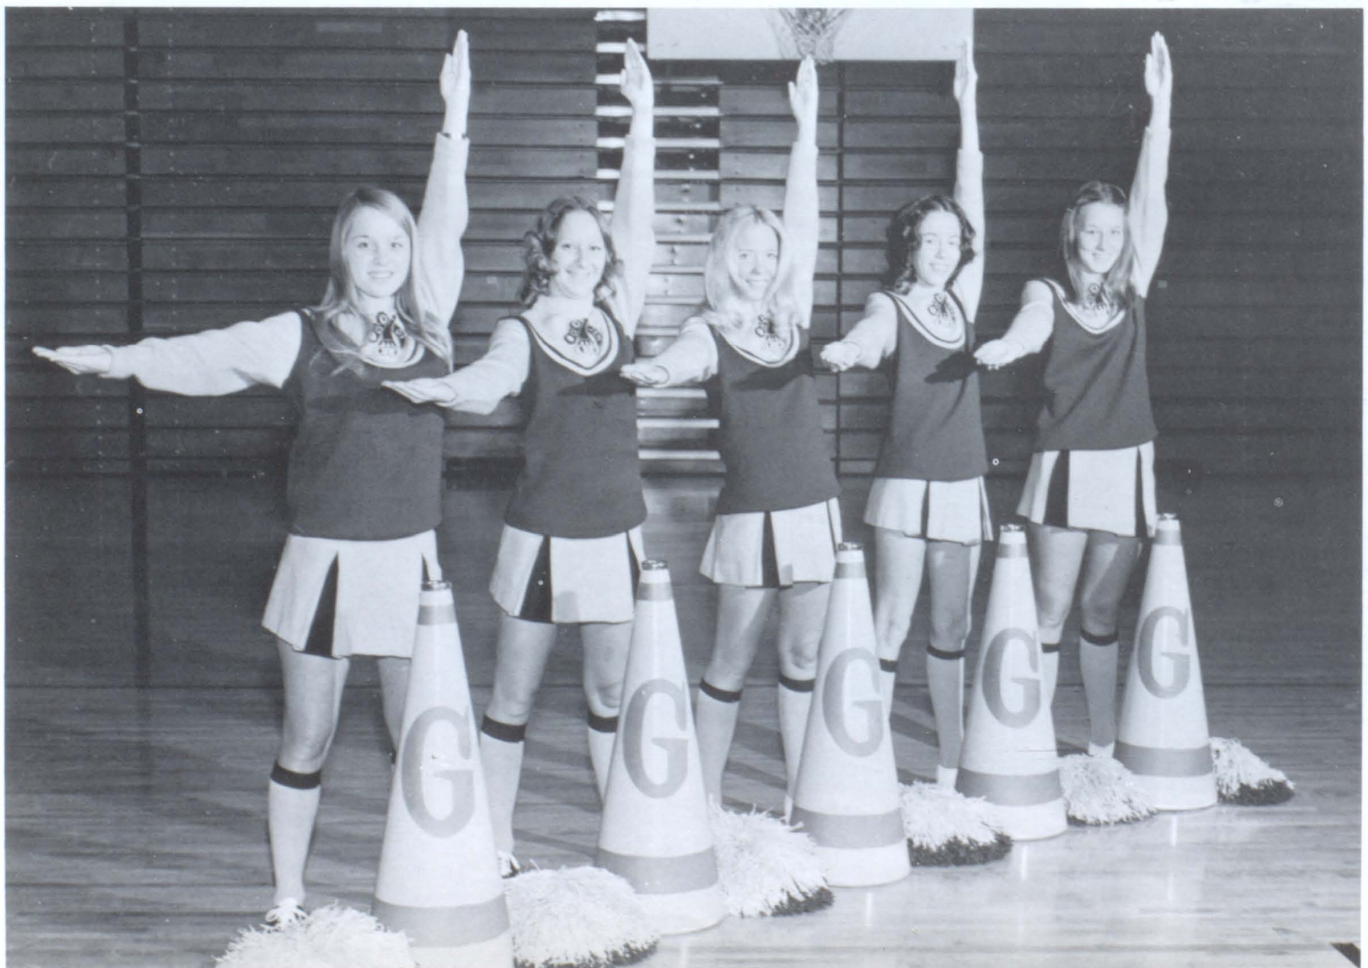

But being a cheerleader isn't a school time activity only. GCHS cheerleaders attend Cheerleading Camps in the summer, practice new cheers, and plan activities for the year. Much personal effort is spent to become a good cheerleader and even more to be on top. Without these girls, building a winning attitude in the teams would be more difficult.

Reserve Cheerleaders were Sandy Hagner, Patty Hayes, Beth Powell, and Lisa Day.

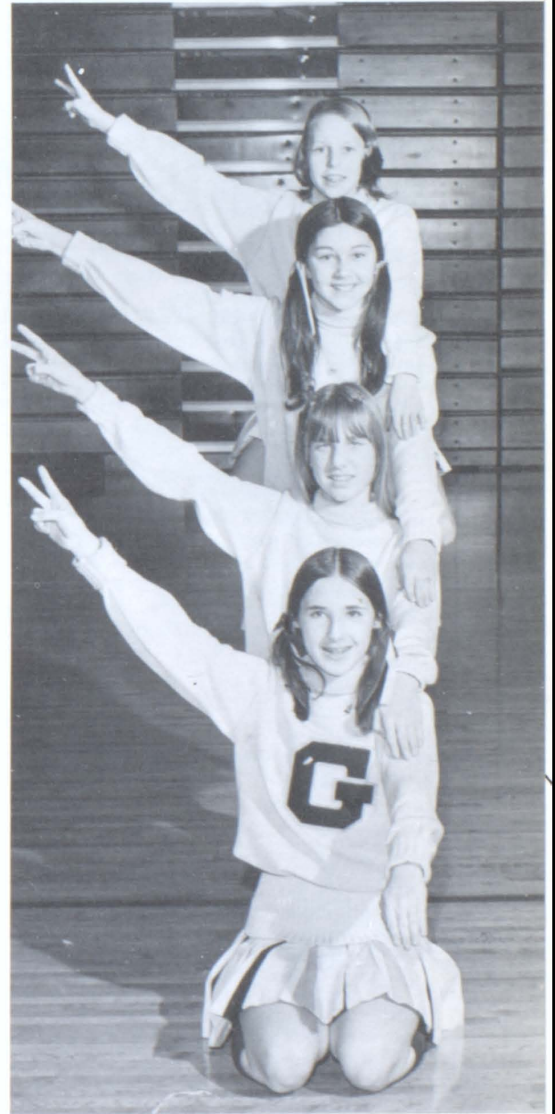

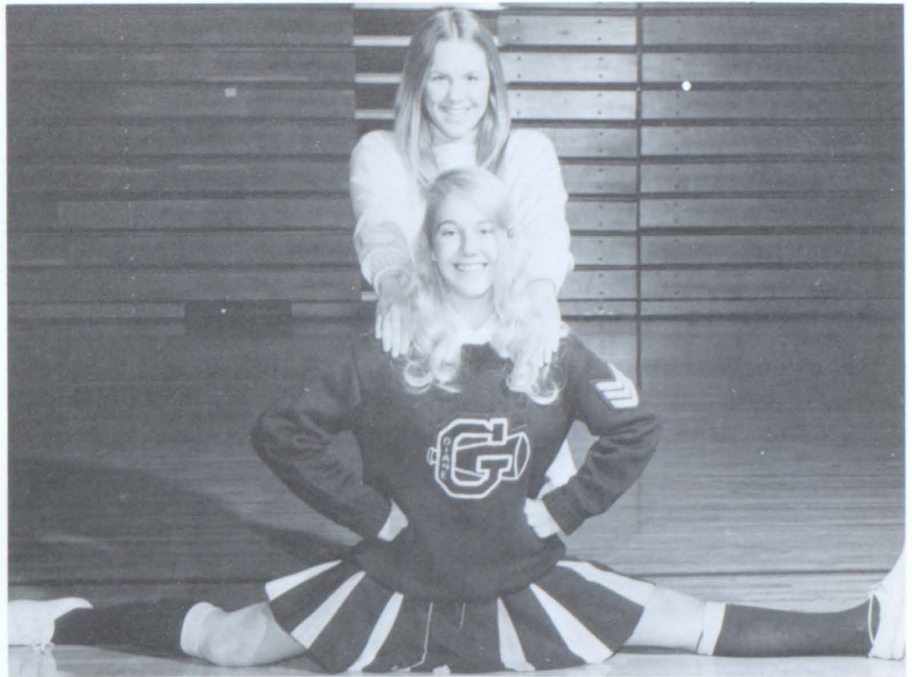

Leading the Varsity Cheerleading squad were Diane Rawlings, Jenny Duncan, Portia Ferrell, Susie Koch, and Linda Garrison. These girls became famous for their Friday morn-

ing songs, written the night before and rehearsed on the announcements. They were Great!

*RIGHT* — Alternate Cheerleader Elaine Zeanor and Gina Porter.  
*BELOW RIGHT* — Sherri Sutton, Jan Adams, Vicki Owen, Kathy Schmidt served as Freshman Cheerleaders.  
*BELOW* — Varsity Cheerleaders at work during a basketball game build one of their formations as part of a cheer.

## Boys', girls' Boosters lift Woodmen spirits

The Booster Club put the punch behind the cheerleaders efforts. These were the loyal people who came to every game, sat in a group, and really cheered the team on, win or lose. It was a sad year as the number in the club deminished with each game.

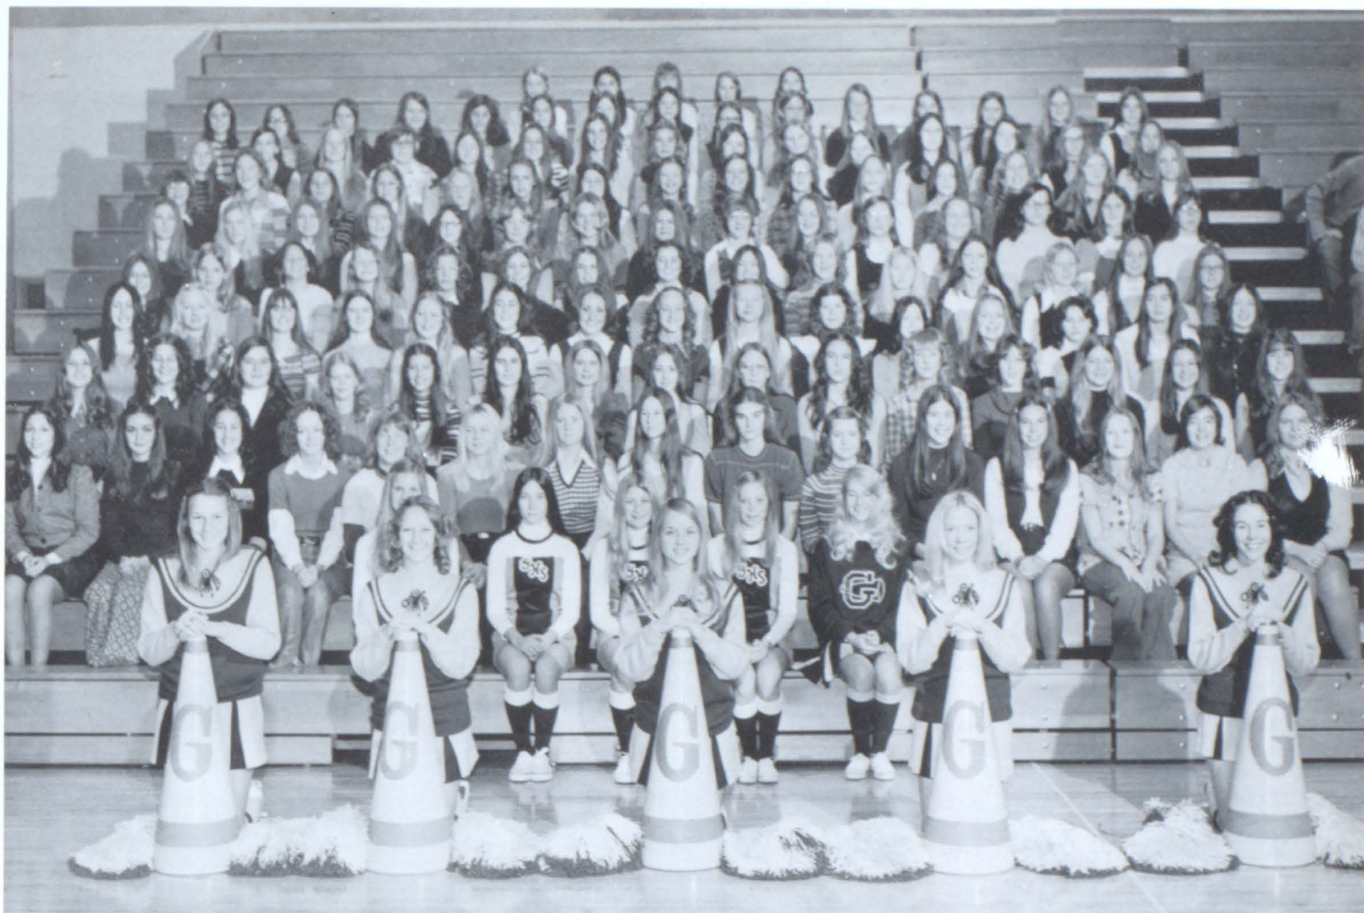

The boys' boosters added their strong lungs and original chants to support the cheerleaders and the girls' club. Showing 'spirit' during pep sessions and games is an important ingredient in putting together a winning team, according to the coaches.

Mocking the coaches, members of the Booster Club put on a sketch for a pep session.

# Music fills halls as choirs sing way through year

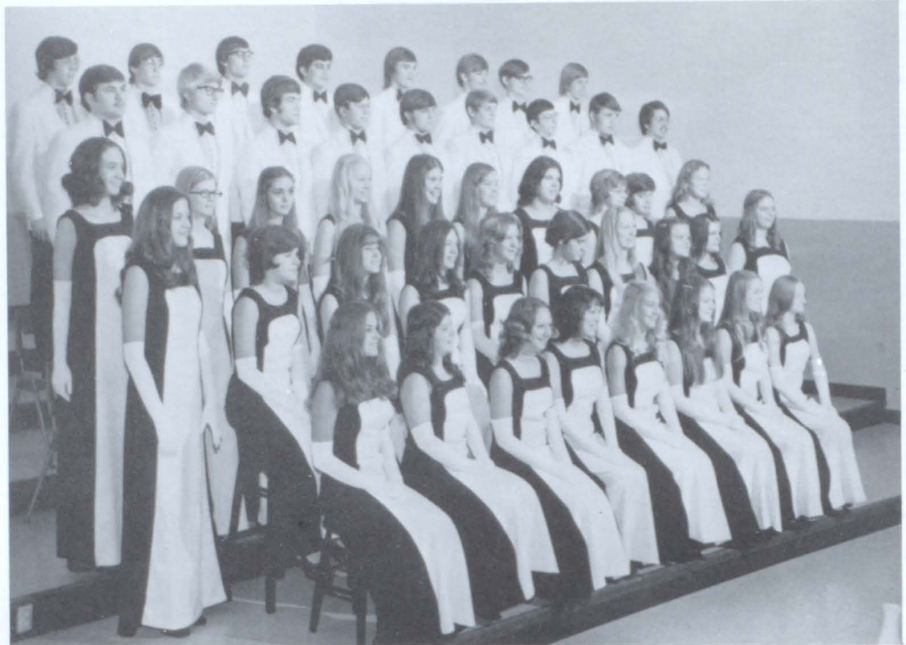

When the choirs sing at GCHS everyone listens. Under the direction of Mr. Walter Lambly, the fine choirs performed for convocations and at special events in the community. Concert Choir presented programs for Westminster Village, Milan High School, and Farm Bureau at the Hilton Hotel. First place medals were collected by the choirs as they competed in the Ben Davis Music Festival and the State Choir Contest.

"Sound of Music" and "You're a Good Man Charlie Brown", produced by the music department, played to full houses. These gave the music and drama students a chance to combine their talents.

## Bandsmen devote long hours to GCHS music

State Fair Band Contest along with other band contests saw the Marching Woodmen participating. Under the direction of Mr. David Van Veld, the bands provided music for pep sessions, half-time shows, concerts, and musicals during the year. Long hours of marching in the August sun, days of rehearsals in the pit, and practice time sandwiched between other activities was all a part of band.

# Poms, majorettes add glamour to marching Woodmen

The Pom Pon girls and the majorettes added glamour to the Marching Woodmen during the football and basketball season. The girls began working on State Fair routines in August with the band and marched with them in the various parades and contests during the year. During the half-times of the ball games the Poms presented special routines worked on during the week with many hours spent after school. The majorettes not only marched but were featured in special numbers at half-times.

Many of the Poms begin work in the summer by attending Drill Team camps and individual work to get in shape for the marching season. According to the girls, the hardest part is making weight and staying there.

## *Business Club, F.T.A. explore career opportunities*

Future Teachers of America are involved in exploring the field of education. This year FTA attended both the area and state conventions. They had a Christmas Party for the faculty and sponsored a Teacher Appreciation Day in the spring. As a money making project they sold football posters with the French Club.

Cadet teachers are seniors who teach at various schools in the system. Miss Jacqueline Starr, supervisor of the group, assigns them to the schools and works with the cadet teachers after they begin teaching. Cadet teachers work under a regular teacher, planning activities and helping the teacher with the class. Through the program students can explore the profession of teaching and decide if they want to continue in education. Reports are submitted to Miss Starr as part of the course work.

Business Club furthered student interest in the field of business as a career. Field trips to businesses helped introduce members to the various opportunities available for students with a concentration in business.

## Language Clubs encourage study of other cultures

A foreign language Christmas party was a highlight of the year for the language clubs. But each club was active individually also.

Usually the biggest event of the year for the Spanish Club is the Steak Burn in May. The club worked on the idea of sponsoring a 1950's style dance and plan to have the dance next fall.

Latin Club had its Roman Banquet in April, which was funded by the coat check at home games operated by the group. Slave Day was begun with an auctioning of first year students to upperclassmen. After serving his 'master' for the day the slave was rewarded at the banquet.

French Day found many students in the halls speaking only French, one of the highlight of the year. The club also had a Valentine dance and participated in the UNICEF drive. The club went to eat at Chez Jean, where the club paid for the meal of the student speaking French longest on French Day.

## Art club promotes development of talent, fun

Art students have been involved in ink drawing, water color, and finger paint. One meeting they went to Heron Art School for a showing. Another meeting they made a car for the Sectional Train in the cafeteria. Keeping the halls and office decorated and displaying work around Greenwood were just part of the work of the Art Club.

## Thespians, T-crew provide backbone of theater

Thespians, the mainstay of the theater, have grown considerably this year. To become a Thespian a student must participate in at least two different aspects of theater as ticket sales, tech crew, acting, or make-up. The Junior Thespians serves as a starting point for the students interested in continuing in high school theater. They assisted in the technical areas.

Tech Crew manned the lights, rigging, and sets. Spending hours after school the crew built sets, painted, and planned lighting and sound for productions. Often working without recognition, the tech crew is one of the most valuable parts of the theater.

## Service goal of Sunshiners, Key Clubs

Helping the school and community are the goals of members of Sunshine Society and Key Club.

The Sunshine Society is a girls service organization which works throughout the year on various projects like collecting money for charities and making food baskets for families in the area. They bake cookies for faculty birthday and sell mums during Homecoming.

Key Club takes on jobs around the school. They are responsible for cleaning the football field and the gym after home games. They have worked with the Sunshine girls in collecting for charities and in taking food baskets and gifts to various families.

## Audio-Visual, Industrial Arts teach skills

The Audio-Visual club was of great help to many of the faculty, especially those who did not understand the complicated operations of projectors, tape players, or the new Video Tape Recorder.

Learning the use the new VTR was a big part of A-V this year. The camera, recorder, and TV enable a teacher to record class activities, experimants, speeches, or special programs and then play them back on the TV. The athletic department used the recorder at games so the teams could study the films later.

A trip to Western Electric was just one of the activities of the Industrial Arts Club. The club, whose members are interested in Gaphic Arts, Woods and Plastics, and Auto Mechanics, has had work sessions in these areas. Members of the club have planned other visits to industries for next year. A mass project resembling an industry is in the planning to give members added experience.

## *Home Economics, office workers serve school*

The office workers were those dubious people who interrupted classes bringing a pass for a joyous trip to the guidance office. In addition to those duties, they answered the telephones and filled in at the desks in emergencies. Typing for the guidance staff, filing reports, and learning the fundamentals of office work first hand were all a part of the office worker's job. Not many days went by that the office workers did not feel they were meeting themselves coming and going in the halls as they raced from class to class.

The major activity of the Home Economics Club was the spring Fashion Show which featured the fashions for the Prom and post prom designed and made by the girls. At Christmas the club made and sold Christmas favors ranging from door knob covers and key chains to cotton ball trees and monogram stockings. The money went to help finance the show the girls did for the students body.

Towner, Kim

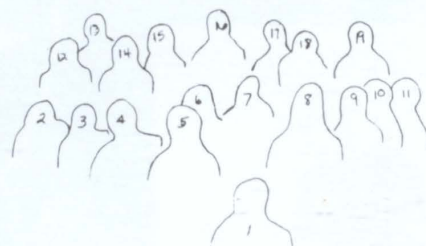

The library assistants are a great help in the library. Some of their duties include cataloging, book sorting, and keeping things in order. They make the job of the librarian easier with their work in shelving and recording books and at the same time learning more about the operation of the library.

Furniture for the Student Rug was the main purchase of the Student Council for the year. The new benches replaced the wooden ones borrowed from the Park Department. Members also checked into having the new school seal cast and placed on the wall in the school. Another Council activity entailed taking over the City government for the day. They learned about the City government by participating in the actual functions of the administration. Homecoming, student elections, and convocations are also a part of the council's responsibility.

## Quill and Scroll recognizes outstanding journalists

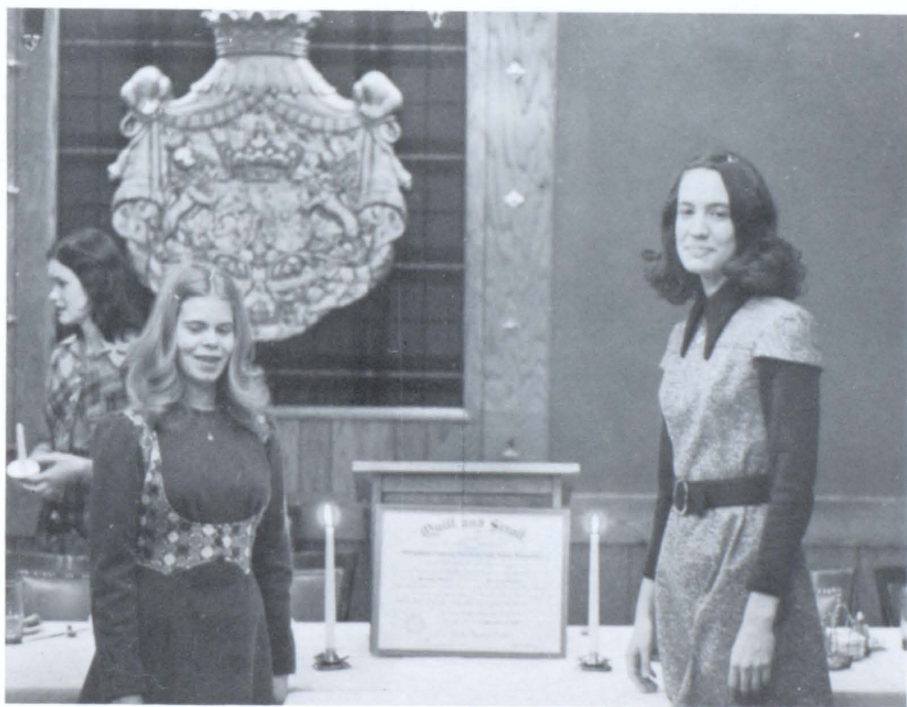

Quill and Scroll is an international honorary society for high school journalists. Students in publications are eligible for admission after working in publications and maintaining a B average in class work.

Quill and Scroll members participated in journalism days competing in several contests. The Timberlines was awarded 3rd place in the Quill and Scroll National Newspaper Week Contest for coverage of the print media.

Quill and Scroll members provide the leadership for the publications staffs instilling pride in the younger staffers.

*ABOVE* — Quill and Scroll initiates in the fall included Mary Ellen Birdwell, Jan Byrd, Dawn West, Julia Mishler, Sara Chanley, Marie Burrell, Jane Blemker, and Robin Wentworth. *BELOW* — Initiating the new members were Mary Kay Loos, Editor of The Timberlines, and Sheree South, Managing Editor of The Timberlines and President of Quill and Scroll.

# Staffs work to publish *Timberlines*, *Woodmen*

The *Timberlines* and *The Woodman* are products of many hours of hard work by students in publications. This year *The Timberlines* became a bi-weekly paper printed in the Central 9 print shop with the type set by the *Daily Journal*. After several weeks of experimentation, the paper took on its new look.

The *Woodman* staff spent the year designing pages and writing copy for the yearbook. A few changes were initiated like color pages and special effects.

# Lettermen, Chess Club sharpen skills to win

A checked board and intricate carved pieces with two heads pondering moves! This is not out of an old painting, it is probably just a couple of the enthusiastic members of the Chess Club. The club is a member of the South-side Chess Conference which play matches once a month. Much of the time is spent challenging other members for top positions on the team.

Lettermen's Club represents those athletics having earned letters in various sports at GCHS. The Lettermen perform various service projects within the school and community. The Lettermen provide the needed experience and leadership on a team to make the Woodmen winners. A letter jacket is the top award for athletes.

## New Wishbone offense sparks Woodmen

The Wishbone offense improved the Varsity football record by one, ending the season 7-3. The Woodmen scored 235 points allowing only 151 points to be scored against them and placed 3rd in the conference with a record of 4-2.

The team consisted of 18 seniors, eight juniors, and three sophomores. Those Woodmen making all county were Steve DeVore, Mike Alvey, Bruce Hensley, Mike Gregg, Marion Wolfe, Kyle Simpson, Jeff Ferguson and Rocky Byrum.

The team was led by senior co-captains DeVore and Hensley, with DeVore being voted M.V.P. and Hensley receiving the Rick Machledt award, while Wolfe won the Mike Neeley award.

Outstanding seniors were DeVore, leading the conference in scoring for

two years, making all county and all conference for three straight years. DeVore set five school records in his career, and scoring 92 points in a single season.

Quarterback Hensley tied the school record by making 12 TD passes. He completed 47 out of 97 pass attempts covering 828 yards.

Gregg was the Woodmen's leading receiver with 14 catches for 360 yards and five TD's.

Ferguson, a junior, led the conference with 53 tackles and 143 assists.

Coach Gary Vandergriff is optimistic for next year and feels they have good quality and a good nucleus. Defense will be one of their strong points next year. The wishbone will be modified to meet the team's need.

RIGHT BELOW — Grinding out first downs was a Woodmen habit with the wishbone. An unknown Woodmen is stopped as Bill Edwards (26), Rocky Byrum (45), Stan Simpson (77), and DeVore (20) watch.

FRONT ROW — Rick Hartloff, Mark Bornman, Dave Higginbotham, Tim McLaughlin, Richard Collins, Steve DeVore, Bob Taylor, Pete Sims, Rick Tinkle, Bran Pond, Bill Riester, Mike Harris, Bill Gorman; SECOND ROW — Mike Phelps, Dave Vleck, Bruce Hensley, Dana Higdon, Dale Marmaduke, Marion Wolfe, John Rose, Andy Davidson, Paul Kite, Mike Alvey, Mike Gregg, Steve Hogan, Dwight, Howard, Coach Larry Keene; THIRD ROW — Jeff Loveless, Bill Edwards, Tom Harmon, Kyle Simpson, Rick Allen, Stan Simpson, Rocky Byrum, Jeff Ferguson, Rick Cannon, Vic Hughes, Bill Williams, Dave Shively, Fred Vest, Coach Gary Vandergriff.

## Reserves put together 7-1-1 season; give up only 18 defense points

Coach Bob Whitson and his mighty reserve football team put the season together with a 7-1-1 record.

The team allowed only 18 points to be scored against them and defense was one of their outstanding features.

The team was led by co-captains Bill Riester and Paul Kite. Some of the

outstanding members were quarterback Riester, running back John Harris, fullback Vic Hughes, and linebackers Andy Davidson, Kite, and Harris. The leading scorer for the Woodmen was Riester with Hughes and Harris close behind.

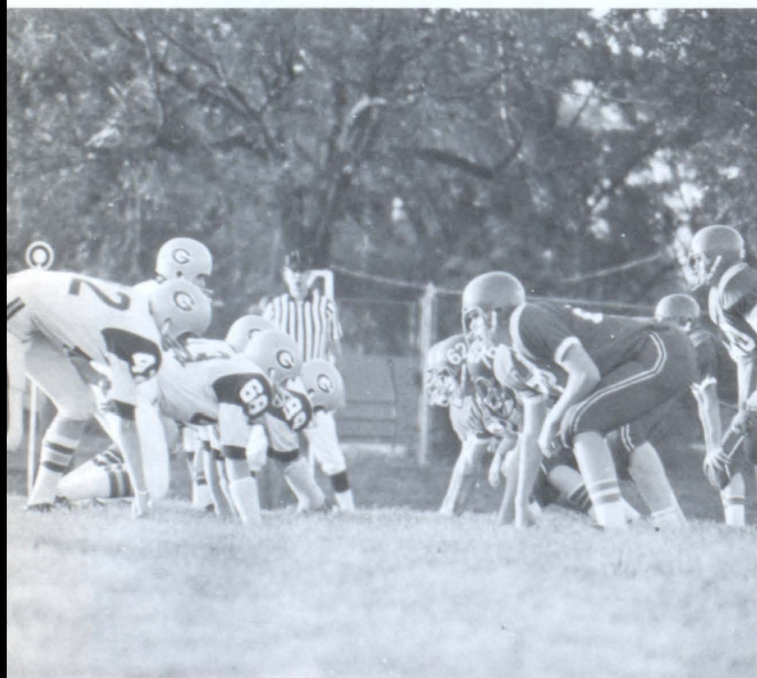

*FRONT ROW* — Dan Wilson, Jeff Fulp, Dave Calabria, Joe Ray, Kevin Miller, Doug Edwards, John Harris, Jim Smith; *SECOND ROW* — Nels Peterson, John Fredricks, Bill Riester, Steve Hogan, Paul Kite, Vic Hughes, Bill Babbs; *THIRD ROW* — Coach Bob Whitson, Andy Davidson, Marty Wright, Ty Blackburn, Dale Bray, Pat Brownlee, Terry Thompson, Steve Ruddick; *FOURTH ROW* — Kevin Barton, Rick Allen, Keith Simpson, Fred Vest, Bill John, Dave Shively, Rick Epsteen, Len Babbitt.

*ABOVE* — Bill Riester runs around end for a score as the defense trails along.

*BELOW* — Bill Riester is brought down short of the goal line. Blocking were Vic Hughes (44) and Rick Allen (42).

*LEFT* — Lined up ready for the snap of the ball, the Woodmen reserved are ready for the charge. The reserves used the wishbone offense with the backfield running the ball successfully all season.

## Freshmen average 18 points a game during 4-3-1 quest

This years freshmen football team finished their season with a 4-3-1 record. In scoring an average of 18.2 points a game was achieved by this team that shows great promise in the coming years.

The freshmen utilized the wishbone T offense and some of the "I" formations at the end of the year. The coaching staff of Mr. Mike Walsman and Mr. Clarence Warthan was very pleased with their execution of the plays, considering it was a brand new offense installed only this year.

Commenting on his team, Coach Walsman stated, "This was a very good group of boys to coach, and we had a good season. In summary of the year, I was extremely proud of this group."

*FIRST ROW* — Josh Hill, Keith Myer, Jim Brown, Gary Ferguson, Mike Prince, Stan Blaase, Randy Ridge; *SECOND ROW* — Steve Garbe, Bill Pumphrey, Jim Brown, Charles Smith, Pete Wittig, Ken Wilson, Rick Bowers, Sam Johnson, Larry Mosley, Ken Ashby; *THIRD ROW* — Bob Davis, Danny Williams, Mat Barrick, Larry Fair, Phil Carson, Jeff Whitesides, Ron Seale, Terry McLaughlin; *FOURTH ROW* — Coach Mike Walsman, Dan Henning, Steve Epstein, Mike Schaefer, Mike Crockett, Randy Walker, Mark Murphy, Dave Rogers, Ken Scott, Coach Clarence Warthan.

*BELOW* — Coaches Walsman and Warthan walk along between players as they warm up before an away game. These exercises help to build up the neck muscles.

## Young hill and dale men finish season 0-8

A very young Varsity Cross Country team finished its season with a 0-8 record. With all but senior letterman Dave Johnson returning, the team promises to return more experienced for a bigger and more successful season.

Three outstanding harriers for the Greenwood Woodmen were Tim Rowland, who paced the team in every meet and was unanimously voted Most Valuable Runner, Marshall Wolfe, and John Fouts, who both were cited as Most Improved Runner. Tim Rowland paced the thinly-clads, while Marshall Wolfe and John Fouts contributed greatly to the team's score.

One of the closer meets this year was with Mooresville when the Woodmen almost tasted victory but were defeated by a close decision of three points.

The Cross Country team has two clubs which honor the dedicated runners. These are the 500 and 1000 mile clubs. Frank Fish was the only runner to attain the 1000 mile goal. Runners who accomplished the 500 mile mark were Dave Johnson, Tim Rowland, John Fouts, Marshall Wolfe, and Dan Rehfeldt. With dedicated runners like these, the harriers look forward to an outstanding season next year.

## *Tennis team battles to 1-6 record; Greg Allen voted most valuable*

A young Greenwood Tennis Team with returning senior lettermen, Greg Allen, three Sophomores, and one freshman fought to a 1-6 record during the 72-73 season.

The team's top players were Greg Allen, who won the MVP, Berkley

Inabnitt and Gary Bowman.

"The boys showed much improvement throughout the year," stated Tom Bates, head tennis coach. "We are looking forward to an improved season next year with four returning lettermen."

*FRONT ROW* — Mark Everett, Steve Bailey, Gary Bowman, Berkley Inabnitt, Mike Saltsgaver;  
*SECOND ROW* — Dan Mathis, Gene Metcalf, Dave Buckalew, Greg Lee, Dean Blemker, Coach Tom Bates.

# Varsity fights to 13-8 season, average 63.9 point a game

The Greenwood Varsity Woodmen fought to a 13-8 season record.

Scoring over 200 points were Steve DeVore 299, Bruce Hensley 236, Jim Oxley 233 and Steve Hacker 212.

The Woodmen scored 1342 points an average of 63.9 against the opponents total of 1259 points for an average of 59.9 points per game.

The Woodmen grabbed 717 rebounds against the opponents 665 total.

Named most valuable player was Steve DeVore who also has the most

assists for the season. Bruce Hensley led free throws and Jim Oxley led rebounds and field goals. Named honorary captains were seniors John Garrison and Steve Hacker.

Coach Tom Cummings commented on next year. "In experienced, much will depend on work put in by the team." The Woodmen are going into some building years with only fair players returning to the varsity squad and 6 of the top players graduating.

## Reserves add extra punch to coming teams

The Reserve Woodmen were the strength behind the varsity. Some of the team moved up early in the season and most will be playing on the varsity next year. The team, coached by Mr. John Irons, had a fair season on the courts. As the season progressed, much improvement was seen in the reserve team, according to the coach.

*ABOVE* — Reserve team members practice under the watchful eye of Coach John Irons.  
*RIGHT* — Rocky Byrum heads for the basket as Doug Bohall waits to block.

*FRONT ROW* — Steve Garbe, Bill Babbs, J. D. Gregg, Tab Boaz, Bill Edwards, John Harris, Steve Ruddick; *SECOND ROW* — Coach John Irons, Doug Bohall, David Vleck, Doug Bade, Rocky Byrum, Jeff Loveless, Keith Simpson, Fred Vest, Bill Johns, manager.

## Freshmen gain experience on ball court

*FRONT ROW* — Larry Mosley, manager; Dave O'Brien, Bruce Meier, Stan Blaase, Jim Hill, Deith Meier, Robbie Burn, Bob Eckle, manager; *SECOND ROW* — Coach Mike Walsman, Dan Henning, Mike Crocket, Randy McCloed, Dave Rodgers, Steve Epsteen, Mike Schaefer, Randy Walker, Dean Blemker.

The Freshman teams, under the coaching of Mr. Mike Walsman, had a rough year on the courts learning the skills for high school basketball. The teams, A and B, lost several games that they could have won, according to the coach, but the lack of experience cost the young Woodmen games of one, two, and three points. Mr. Walsman said that many of the boys will continue to develop their skills and should be assets for the reserve and the varsity in a couple of years.

*LEFT* — Danny Henning jumps while teammates Dave O'Brien, Steve Garbe, Mike Crocket, and Don Hill wait.

## Grapplers pin winning season, Sectional Crown

The Varsity Grapplers ended their season with a dual meet record of 10-2, Sectional Champs, 3rd in both the Mid-State and County, and 12th in the Regionals.

In county competition, Dale Marmaduke, Jeff Ferguson, and Marion Wolfe all placed first. In the Sectional Wally Marmaduke, Dale Marmaduke, and Andy Davidson were first place winners for the Woodmen.

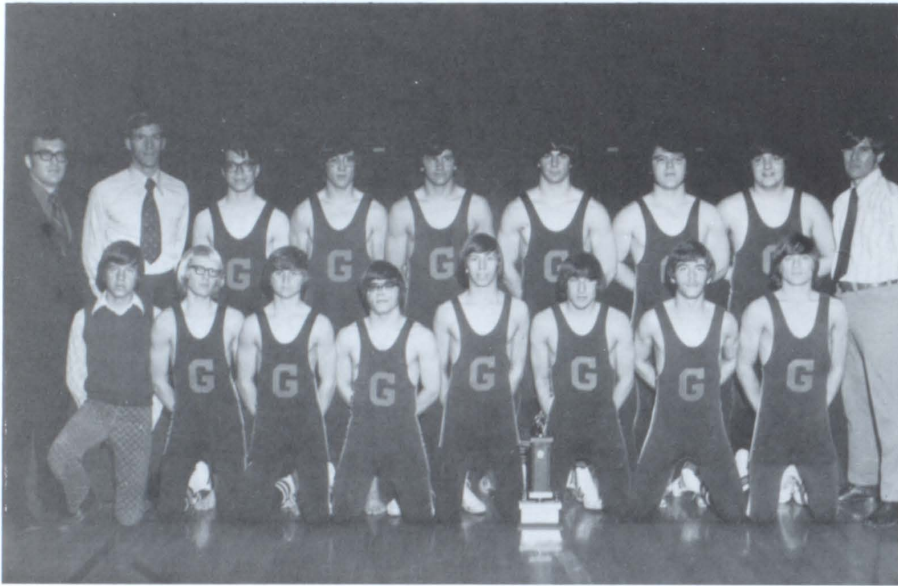

Leading the team was Marion Wolfe wrestling 185 lbs. and taking top honors with most pins of 15, fastest pin in

15 seconds, and most valuable wrestler scoring 43 ½ points for the team. And Wolfe was named most valuable in the County Meet.

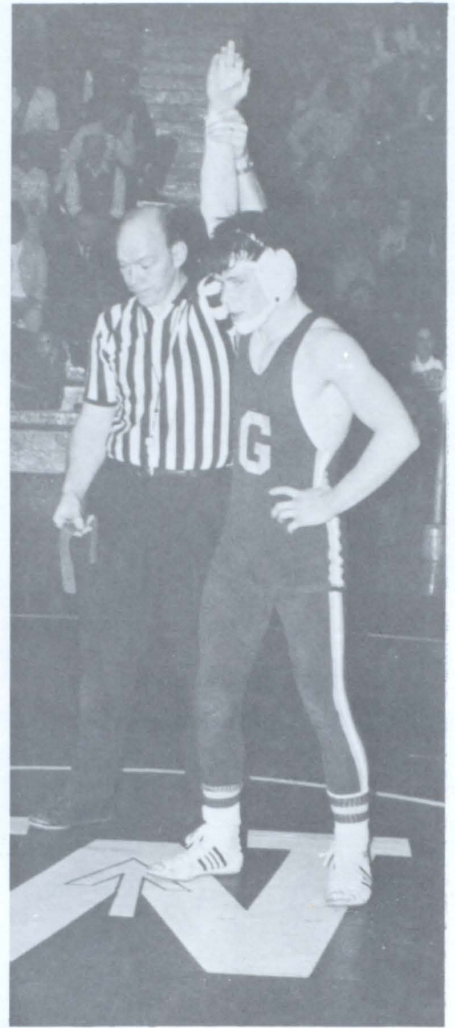

Dale Marmaduke led the most escapes with 31 and most near-falls with 23. Jeff Ferguson had the most take-downs with 17.

The Reserve Wrestling ended the season with a record of 7-2 placing second in the county.

The County champs were Dan Andrews, Carl Cecil, Peter Wittig, and Greg Brown.

**FRONT ROW:** Barney Fyffe, Dave Brown, Shane Collins, Wally Marmaduke, Ralph Cummings, Ray Allen, Dan Wilson, Greg Allen; **SECOND ROW:** Coach Clarence Warthan, Coach Marlow Mullens, Dale Marmaduke, Gary Malone, Jeff Ferguson, Andy Davidson, Marion Wolfe, Dana Higdon, Coach Bob Whitson.

## Trackmen's long hours won many blue ribbons

It was a slow season for the Woodmen on the track. After weeks of rain, meets were cancelled and rescheduled over and over again. Practice on the field became impossible and times and distances suffered some because of it. Once the Woodmen got rolling, meets were most always away due to the poor track conditions. Future winners were developed under the watchful eyes of Coaches Larry Keene and John Wiggins as the team began to win.

## Diamondmen pitch, hit, run up successful season

Rain and poor field conditions hampered the Woodmen during the baseball season. Most of the games had to be played away until the end of the season when the Woodmen were allowed to use the field.

The team had some high points during the season, and for the most part it was a better than average season. A nucleus of players will be ready for the next season and hopefully will be able to practice outside without the rain.

## Young golfers have average season

A young inexperienced golf team battled rain and cancelled matches during the short season. The season was not what they had hoped for in the beginning, but a good nucleus of underclassmen will be returning next spring to make a better showing. Rain kept members from practicing during the week and made matches more difficult. As a team the Woodmen did not fare too well, but some individuals did win some firsts.

## Winning seasons posted by girls volleyball, basketball

Volleyball and basketball were the competitive sports for girls this season at GCHS. The season started with volleyball, which had an undefeated season and won the Johnson County Invitational Tourney for the first year. The team had strength on the nets and dominated almost every game they went into.

The basketball team ran to a 6-3 season. The team, composed of mainly freshmen, was short in comparison to some of the other teams they played. With the leadership of two seniors, Jan Byrd and Connie Overton, the team developed and held their own against much taller and stronger teams like Pike, Beach Grove, and Secina. With most of the team returning and three freshmen regulars on the roster, the girls look to a better season.

*ABOVE* — Donna Hamm, Carol Seale, Ann Schaefer, Robin Mays, Rose Thomas, Linda Weaver, Joyce Gilbert, Sharon Thomas; *SECOND ROW*: Miss Cheryl Flick, Coach, Marla Kroger, Donita Riggs, Debby Brooks, Sandy Wittig, Darlene Clifton, Monica Dennis, Jenay Craig, Cleone Heebner.

## Girls' athletics features practice, action, determination, victory

Girls athletics took on a new view this year with the entrance of IHSAA as a governing board. At GCHS girls athletics was centered around competitive volleyball and basketball and intermural softball.

The volleyball team, coached by Miss Cheryl Flick, opened the year with an undefeated season winning the

first Johnson County Volleyball Tourney crown. The team continued through tourney play into the Sectionals. For the first time, the tourney was IHSAA sanctioned. The basketball team posted a 6-3 record. Coached by Miss Susan Edwards, the team with a large number of freshmen lost only two players to graduation.

**FRONT ROW** — Karen Summers, Kim Craig, Patty Hodges, Gladys Beckner, Teresa Lasiter, Jan Byrd, Connie Overton, Susie Caraboa, Pam Wilde, Debi Bray, Marci Schier, Linda Chaney, Cathy Jamison, Cindy Burr; **SECOND ROW** — Donita Riggs, Diane Loveall, Kathy Meyer, Terri Davis, Robin Mays, Rose Thomas, Linda Weaver, Joyce Gilbert, Beth Powell, Patty Hayes, Helen Rehner, Kathy Schmidt, Pam Wright, Bev Robertson, Cheryl Held, Gloria Walker; **THIRD ROW** — Joy Riley, Debbie Brooks, Linda Garrison, Mary Sauer, Kathy Hardey, Jan Adams, Karen Collins, Julie Harmon, Deanne Julian, Cleone Heebner, Nyla Miller, Nina Andrew, Jona Bland, Patricia Stone, Karen Byrne; **FOURTH ROW** — Marilyn Schaefer, Terri Henning, Cindy Sauer, Jane Blemker, Donna Hamm, Marla Kroger, Ann Schaefer, Monica Dennis, Cheryl Hines, Darlene Clifton, Ann Statler, Kari Antcliff, Mrs. Sharon Watters.

*ABOVE FAR LEFT* — “Did someone call my name?” asks a couple of trackmen on their way to a huddle.

*ABOVE RIGHT* — Even Coaches have to do a little homework and preparation for class like Coach Mike Walsman.

*ABOVE RIGHT* — Not quite a ballet step, but good enough to get the ball back across the net.

*ABOVE* — “Wait a minute you guys. This is my ball.”

*ABOVE TOP* — This game is more like football than basketball with a Woodman on the floor.

# Foreign language increases awareness of students

Increasing awareness in other cultures and language is part of the foreign language program of Spanish, French, and Latin. The study of these languages aids students in analysis of other peoples.

Spanish and French students made use of the language lab which developed listening and speaking abilities. In addition the Spanish classes produced and filmed plays in Spanish and celebrated holidays with Spanish customs.

The French classes spent the year increasing their knowledge of France. Advanced students added to their vocabulary while becoming orientated to French culture.

Latin students discovered that the language and culture of ancient Rome is not dead. Students brought alive the customs of Rome through study of Roman holidays, great writings, and history. They participated in slave auctions and discovered customs still practiced today.

*ABOVE* — Spanish Classes used the new UTR equipment to tape a play in Spanish. The original play involved a doctor and a violinist(?)  
*BELOW RIGHT* — Mr. Harold Crawford is served chicken by a Roman slave during the

## *Scientific method basis for study in sciences*

The scientific method is the basis of physical and life sciences. Science student discovered the composition of mater and its changes under different circumstances. Biology students discovered the relationship between animals and their environment by starting with the basic form of life, the cell, and building up to larger animals.

Labs reinforced what was learned in the text. Observations, generalizations, theorization, and testing were all a part of physical and life sciences. The practical application of these sciences is stressed through lecture and lab.

*ABOVE* — Dissection of a fetal pit doesn't seem to bother Jenny Duncan. Biology students studied the placement of internal organs.

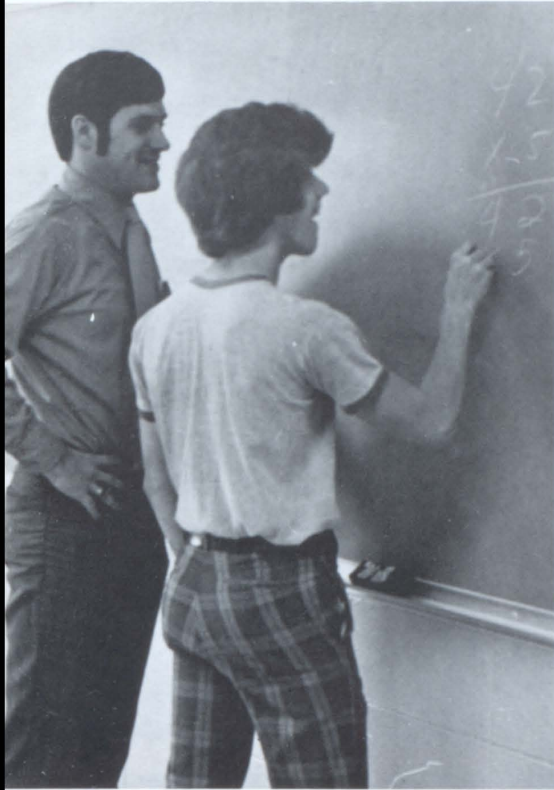

*ABOVE* — The study of sound waves was a

part of Physics labs.

*RIGHT* — Chemistry experiments sometimes turned out right and sometimes not so right.

## Math students learn practical applications

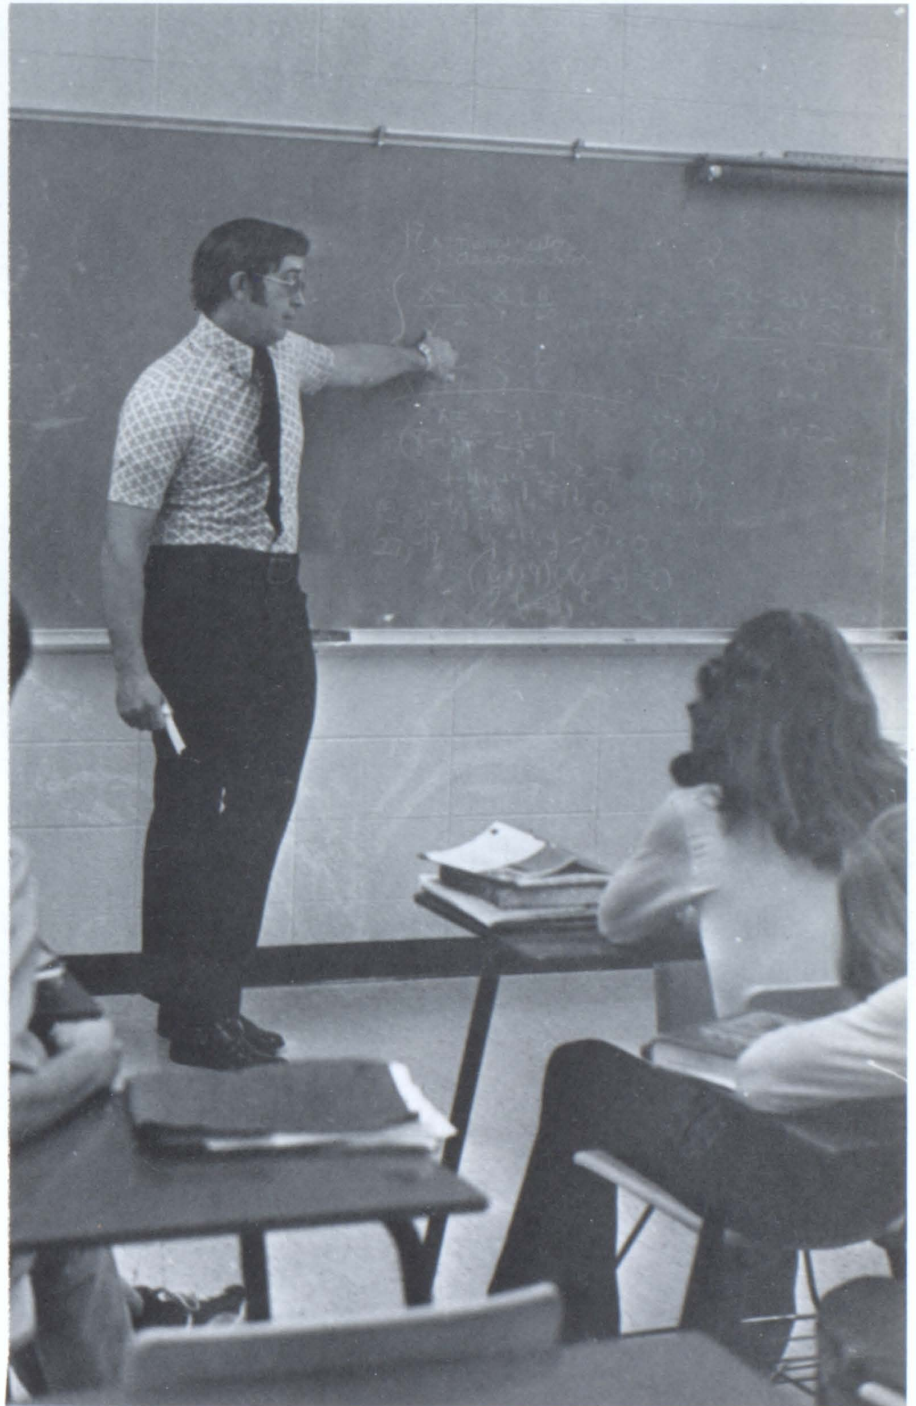

*ABOVE* — Working out complicated problems on the board helped Math students in Mr. John Swank's classes.

*RIGHT* — Mr. John Irons demonstrates the correct way to solve a problem in higher mathematics to Algebra classes.

Mathematics includes the practical of basic math and pre-algebra to the difficult abstract theory of calculus, advanced algebra, and trig. Students can take math that will prepare them for a job or they can take more challenging courses to prepare for college math.

The practical application was stressed in all courses so students came out feeling they could use the math they had learned. Much of it was a basis for the math that was to follow next year.

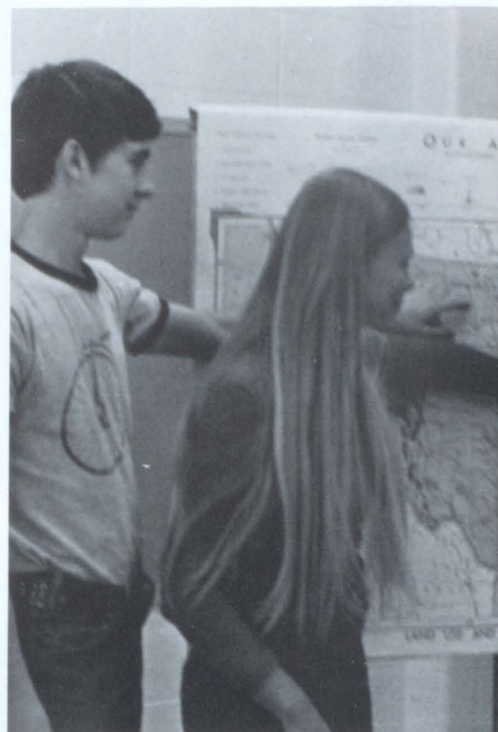

## *Social Science offers overview of society*

Social Sciences, encompassing Citizenship, World History, Government, International Relations, Sociology, and Psychology, offer students an overview of the society in which he lives. History courses bring into perspective the world situation dealing with crisis from earliest days of man through present world conflicts. Students learned the historical significance of world problems from many viewpoints while engaging in strategy and war games.

International relations students studied world problems not only as they relate to the U.S. but also their effects on other world interests. Discussions of these problems became a 'mini-United Nations', as students took various

sides on world issues. Two social science students, Volker Seyffarth and Gary Saltsgaver, attended a World Affairs Workshop dealing with the world implications of problems facing modern Germany.

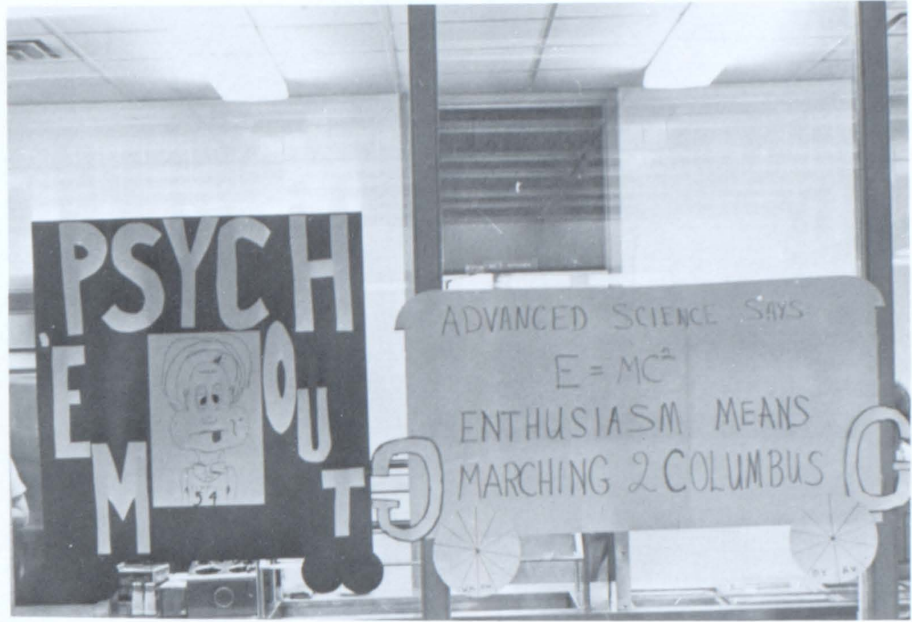

Sociology and psychology classes study man as he relates to his environment. Observations of man as he faces his daily problems were made by students and analyzed by the classes. 'Role playing games' were used to better acquaint students with problems faced in other social strata. First hand experiences contributed to students seeing the many roles man plays and his reaction to social situations.

*ABOVE LEFT* — Group discussions and party meetings were a part of social science classes. Students got together to discuss problems, role play, and discover new solutions to world problems.

*ABOVE RIGHT* — A map of the United States is essential to a U.S. History class. Learning significant locations in our country and their historical relationships are an integral part of the learning.

ABOVE — Part of the Sectional Victory Train was provided by the social science students, especially the psychology class.

LEFT — Darlene Clifton campaigns for an office using the skills she learned in social science and English classes. Campaigning and voting, whether for a mock presidential election or for a class office, were a part of the curriculum in history, government, and civics classes.

## *New English curriculum planned by faculty*

Traditional English classes at Greenwood will be no more. The days of Mrs. Mellencamp's "cliff's", Mr. Stone's critiques, and Mrs. Collins' six minute speeches are gone.

The faculty, under the direction of Mr. Al Stone, spent the year adopting new books and considering many innovating programs to revamp the English curriculum. Students were surveyed for class interest, counseled by their English teachers, and registered through the Guidance Department.

A sampling of course selections students selected from were Social Commentary, The Major Works of Shakespeare, Mass Media/Broadcasting, Sports Lit, Pre-College Grammar, Theater Arts, and Guided Independent Study, delving into the study of one author under the supervision of a faculty member.

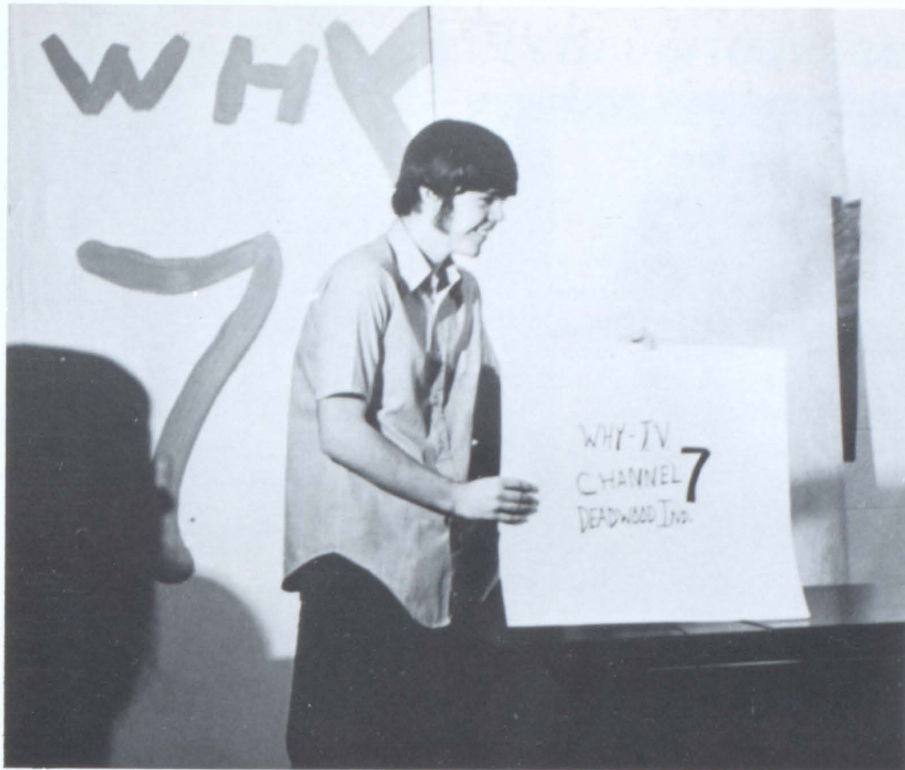

*ABOVE* — Speech class can be an interesting class especially during demonstration speeches and even better when it's a demonstration on serving Baskin-Robbins.

*LEFT* — Seniors eagerly await a test from Mrs. Betty Mellencamp in English class.

*BELOW* — A six minute speech doesn't bother Jerry Frantz as he entertains the class in his final speech.

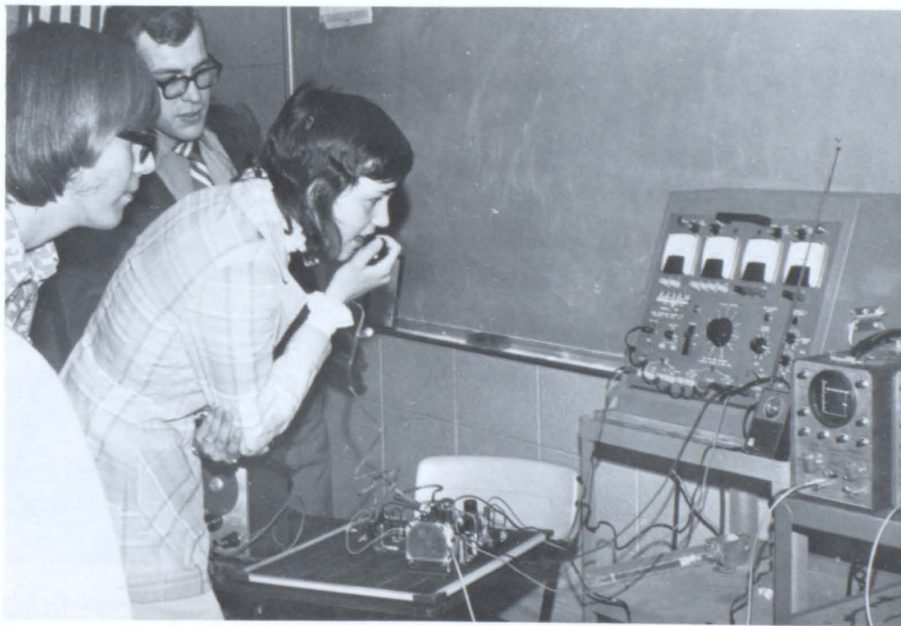

*ABOVE LEFT* — WHY-TV was part of Mr. Al Stone's English class. Students produced a news broadcast including news and technical materials.

*ABOVE RIGHT* — Mrs. Betty Mellencamp tells one of her famous "Gideon Monster" stories to Seniors.

*LEFT* — Suzy Mattingly and Byron Mathis watch Suzy's voice pattern as Mr. Clarence Warthan explains principles of radio broadcasting to Journalism students.

*BELOW* — Drama students listen as directions are given for their convocation.

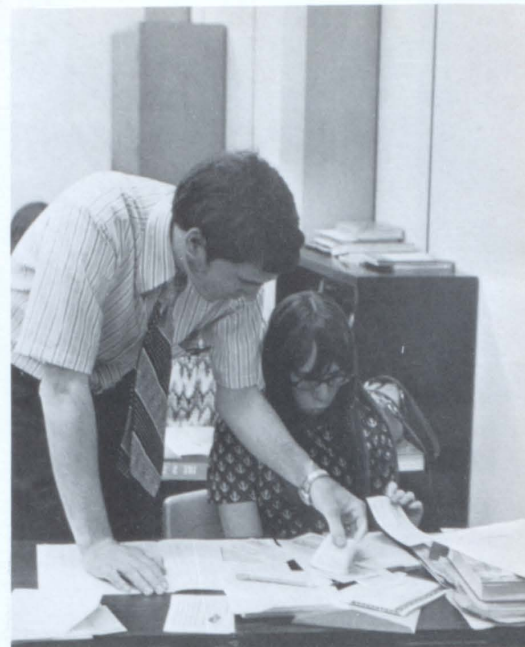

## *Business skills prepare students for jobs after graduation*

Achieving the goal of acquainting the students with the business department has been the intention of the students this year. These students have chosen business education in preparation for a profession.

Students participate in real busi-

ness situations and work on jobs for other departments. Practical experience comes from office practice classes or working in the main office. Some students gain this added knowledge as student secretaries.

*ABOVE RIGHT* — Mr. John Wiggins, new to the department in January, helps students with accounting problems.

*ABOVE LEFT* — Mrs. Sharon Watters dictates to shorthand students helping them increase dictation speed.

*ABOVE* — Checking addition with modern machines is often important in business.

*LEFT* — Typing students work on problems in developing typing skills.

## Artists display skills in various media

Every student or teacher that went into the office of GHS noticed the display that the students of the art class created. These students experimented with clay, watercolors, self-portraits, and decorations for special occasions such as masks for Halloween. Doing the many projects during the school year helped develop the artistic talent in many students. Art work by GHS was on display at the Bell Telephone office in the spring. Art classes include General Arts, Crafts, and Fine Arts.

*ABOVE RIGHT* — Worker from Art classes was displayed at school and around the community.

*ABOVE* — Designing stationary and working on lettering was part of Art projects.

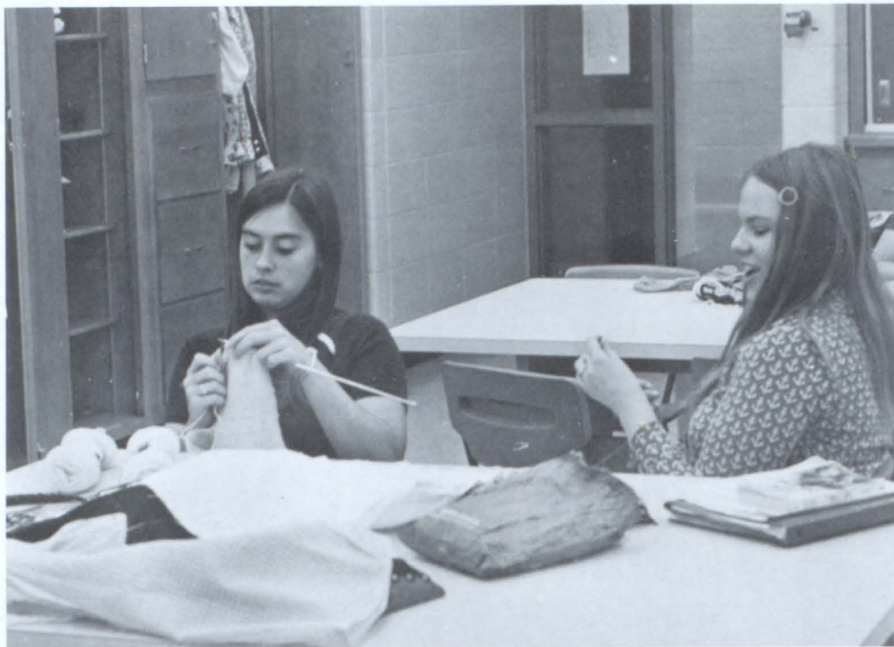

*RIGHT* — Many students pondered designs before adding more india ink to complete the effect.

## Home Economics adds decorating to curriculum

Interior Decorating was added to the curriculum of Home Economics this year. Another addition was "Alice" the dress form which has added a new dimension to showing fashion in the display case. With needlecraft catching on with the students, more sweaters and blankets have been made this year.

Home Economics is no longer the same routine subjects of food and clothing courses. New courses that students find applicable to today are being added as the demand for them increases.

*ABOVE RIGHT* — Needle work projects became a new fad this year and Home Economics students learned needle work projects. *ABOVE* — In other projects in the clothing classes students worked with yarns.

*RIGHT* — The aroma from foods classes filled the halls many days and as food classes prepared various foods.

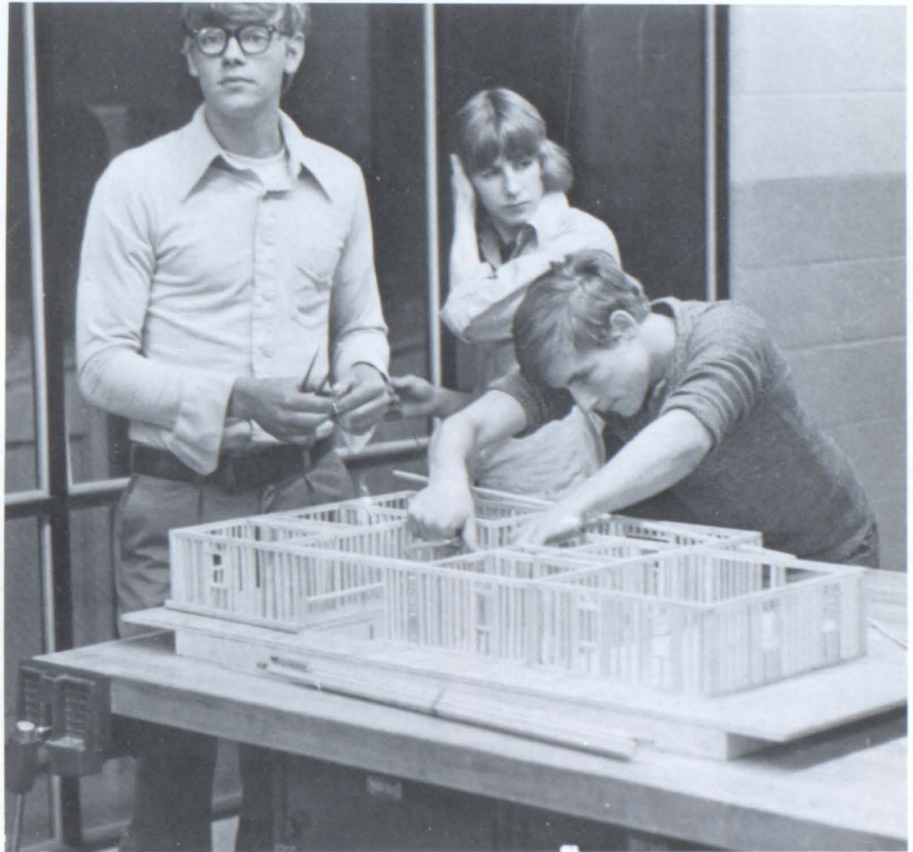

## *I-Arts teach future skills*

Industrial arts is traditionally centered on building individual projects, learning about machines, and drawing plans. But industrial arts classes changed this year. Companies were set up so students could study the development of a product through development, manufacturing, advertising, and sales. Designs were drawn by one class, manufacturing by a second, and advertising by a third as part of woods, metals, and printing.

Automotive classes serviced cars as part of their learning. One class project was to rebuild, from the inside out, a damaged car. Learning the operation of a service station comprised the rest of auto mechanics classes.

The basics of construction was part of the woods classes. Students learned to design and build projects while using different machines. Construction of a house was part of the advanced courses.

*ABOVE TOP* — Mr. Steve Lane and Auto mechanics students inspect the engine of a 'sick' car.

*ABOVE LEFT* — Model houses were constructed by wood shop classes.

*LEFT* — Repairs inside and out were made on a Corvair by auto students.

*ABOVE* — Printing presses began to run in the print shop as programs and tickets were printed for plays and musicals.

## *P.E. skills vary; emphasis on lifelong sports*

Strengthening the body is as important as strengthening the mind. And physical education is just one way to build a stronger body. Learning the rules of various activities as well as developing skills is part of the program. Activities range from favorite games like football, basketball, and kickball to more difficult activities of tumbling and gymnastics.

Advanced girls classes prepared physical education activities for Southwest Elementary and then taught these activities. Other activities included building of greater skills and developing interest in lifetime sports.

*ABOVE* — A lifetime sport is badminton and the girls' physical education classes added some new twists to it by using a balloon in place of a bird during their 'Olympics'.

*ABOVE TOP* — Bouncing balls on a parachute was another different type of activity in developing skills and coordination in physical ed.

*RIGHT* — The boys' physical education classes enjoyed more strenuous activities like building pyramids and other tumbling stunts.

## *Health class study effects of drugs, alcohol*

Health classes studied the effects of drugs, alcohol, and other substances on the body. Guest speakers ranging from the local police department to the State Police came to lecture in their special areas.

Another highlight was the instruction in artificial respiration for life saving. Students not only heard about the techniques involved in respiration, but also got a chance to practice it on a dummy.

Learning to administer artificial respiration was just one of the many activities of the health classes. After receiving instructions on artificial respiration, students got an opportunity to practice with the dummy. Students learned both kinds of respiration.

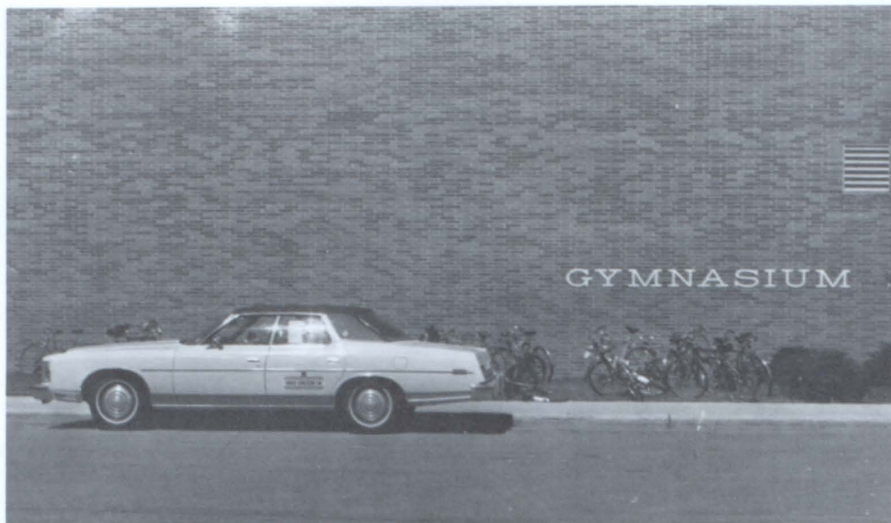

# Summer school attendance runs high as students complete

For some summer school is an opportunity to complete some required courses, take some extra electives, or to make up lost work from the year. Many students came to summer school for driver's education.

Besides driver ed, physical education, government, sociology, make-up English, science, and math, and personal typing were also offered. Classes lasted for eight weeks with driver divided into two four week sessions. Students drove all morning and afternoon to get in their time.

While the high school was having summer school, so was the elementary school. It was a strange sight to see small children in the halls and sitting in the 'big chairs' in the 'big classrooms.'

*ABOVE* — Bicycles flank the driver ed car, bicycles soon to be replaced by car keys.

*LEFT* — Getting ready to pull out is a fleet of new drivers.

*BELOW* — Returning new driver awaits instructor's criticisms.

*OPPOSITE ABOVE* — Break time between classes meant going to the coke machine.

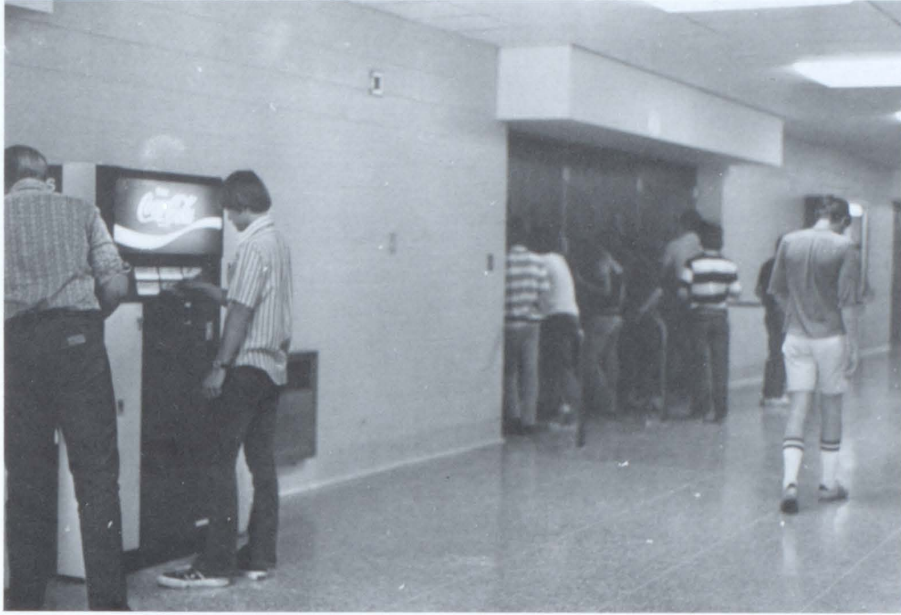

*OPPOSITE ABOVE RIGHT* — Driver ed was not all driving as much time was spend in the classroom learning the rules of the road.

*OPPOSITE* — Eager young students bring their papers to the teacher to be graded.

*OPPOSITE BELOW RIGHT* — Following their teachers down the hall, elementary students return to class after a break. Finding their way around the halls was a major problem at first.

*requirements, take extra electives, learn to drive*

## Summer School

*ABOVE* — Mrs. Sandy Thayer subed for Mr. Vayno Grayam in summer school, but she was no stranger to the subject of government. Both government and sociology were offered.  
*RIGHT* — Summer physical education was different from that during the year as Mrs. Judy Swank taught the classes new sports like golf.

# Seniors fill busy year with memories of years at GCHS

Under the sponsorship of Melvin Smith, 225 Seniors met their final year with enthusiastic senioritis. Mid-term graduates numbered 35, the largest number in the school's history. First on the agenda of this busy and long awaited year was the taking of Senior

pictures in August. The year zoomed ahead with scholastic testing, presentation of awards, participation in athletics, drama, music, and other clubs for the final time. Ordering of announcements and Senior Keys brought mixed emotions of pride and sadness.

Senior memory books were filled with pictures and cards reflecting the year. The class motto, "To strive, to seek, to find, and not to yield," the white rose and the school colors green and gold were selected for graduation.

# *New popcorn popper boosts concession sales for Prom; Class of '74 captures Queen title for third year*

"Popcorn! Get your hot, buttered popcorn!"

This was the junior war call as they took on their traditional chore of running the concession stands. These stands, operating at all home football and basketball games, as well as three

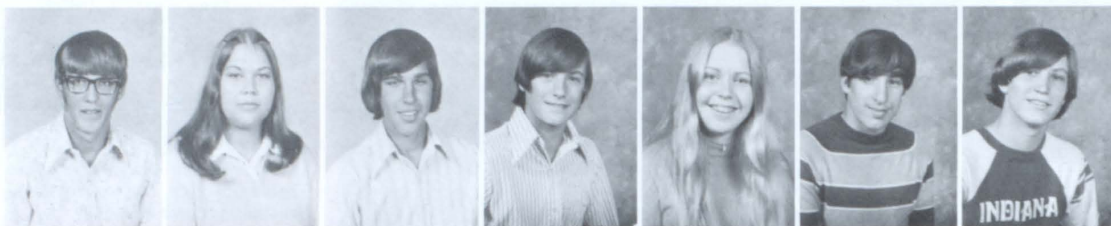

tourneys, were the main source of income for the Junior-Senior Prom. The new popcorn popper increased sales.

Centered around the theme, "One Shining Moment", juniors and seniors danced to the music of the "Light Touch" at Franklin College.

The juniors were led by officers Terri Henning, Pres.; Marilyn Schaefer, Vice-Pres.; Monica Dennis, Sec.; and Dawn West, Treas.

Sponsors were Mrs. Kathleen Atkinson and Mr. William McFerran.

# *Sophomores prepare for coming years by taking tests; class ring ordering, reserve sports highpoints of year*

"Preparation" seemed to be the key word for sophomores, as much of their time was spent in preparation for coming years. The Government Aptitude Test (GATB) was administered to all sophomores early in the year and the National Educational Development

Test (NEDT) was later made available to college-bound students. The spirited sophomores took second-place honors in the Homecoming float competition and dominated almost all aspects of reserve sports. Ordering of class rings

was the highlight of the year and also the first real organizational job for sophomore officers Bill Reister, President; Sue Salwowski, Vice President; Rhea Harris, Secretary; and John Price, Treasurer.

# *Bewildered freshmen spend first year wandering halls, taking battery of tests, getting acquainted with GCHS*

Wandering Freshmen were a common sight at the beginning of the school year. Many were directed to fictitious rooms such as C125 and B106 by a group of truly innocent looking upperclassmen.

The Class of '76 soon overcame

these trials and tribulations and looked forward to being Sophomores next year.

The class chose Terry McLaughlin as president and Maizie Smart as vice-president.

After finding their classes, the

freshmen were faced with glued-shut lockers, strange looking teachers, and a battery of IQ and achievement tests. These were seemingly designed by upperclassmen with the intent to either drive the freshmen insane or back to the Middle School.

## Administration sets policy governing schools

The Board of Education is the governing board for schools in Indiana. The Board is in charge of personnel, budgets, and maintaining a high quality school system. All major policy decisions are handled by the Board under the advisement of the superintendent, principals, and faculty.

Board members are elected, each representing a particular district of Greenwood, for a period of four years. This Board was responsible for the building of the new high school and for many curriculum changes brought about recently.

*ABOVE* — School Board members pausing during a meeting are (*FRONT ROW*) William Crawford, Dr. Richard Norman, Dr. Earl Blemker; (*SECOND ROW*) Richard Sutton, Warren Beville, and Dwight Howard.

*BELOW* — Working on school problems is Dr. Earl Blemker, a school superintendent.

# SPRING 1972

## *'Only Just Begun' theme of Prom 1972*

The 1972 Junior-Senior Prom with the theme "We've Only Just Begun" took place May 6 at the Knights of Columbus Hall. Couples danced to the music of the Fritz Turner Band. Jeff Davis and Lydia Elliott reigned as King and Queen, while Rick Cannon and Gail Williams reigned as Prince and Princess.

The colors of pink and other pastels were carried out in the table decorations — paper gazebos with pink mums and pink napkins with the theme printed on them. A large central gazebo with pink flowers and smaller trees with pink flowers comprised the floor decorations. The large gazebo provided the setting for the picture-taking.

The 1972 Post-Prom was held at the Baxter YMCA. The various types of recreation included swimming, basketball, ping pong, pinball, cards, dancing, or listening to the band.

*OPPOSITE TOP* — Royalty of the Prom '72 were Prince and Princess Rick Gannon and Gail Williams and King and Queen Jeff Davis and Lydia Elliott.

*OPPOSITE BOTTOM* — Couples danced to music of the Fritz Turner Band.

*LEFT* — Punch and cookies refreshed couples between dances.

*BELOW LEFT* — Swimming was just one post Prom activity at the Baxter Y.

*BELOW* — Post Prom hunger was fed with chicken.

## *Commencement for class of 1972*

The class of 1972 took the final walk through the halls as a class on commencement night. It marked a dream realized for Seniors who had spent twelve years to reach this moment. Then the class members went their various ways — to college, to jobs, to homes, to armed service —

*OPPOSITE TOP* — Graduates switch tassels.

*OPPOSITE RIGHT* — Guests listen to commencement address.

*OPPOSITE FAR LEFT* — Dr. Earl Blemker, Superintendent, presented diplomas.

*TOP* — A happy moment for Seniors of 1972.

*ABOVE LEFT* — Commencement means a reflection of years past according to Senior speakers.

*ABOVE* — The last walk at GCHS.

## *'Carousel' musical production of spring '72*

"Carousel," a Rogers and Hammerstein musical, was the music department's musical production for 1972. The story of Carousel centers around Julie Jordan's love for Billy Bigelow, a carousel barker. Julie, a respectable girl in the community, is advised by everyone not to marry Billy because he is lower than she socially. Billy accidentally stabs himself during a robbery attempt and his daughter Louise is ridiculed. Billy returns as a ghost trying to make things up to Louise.

*OPPOSITE TOP* — Kathy Stewart, Aunt Nellie gives advise to Liz Heiniger, Julie Jordan as Betsy Richey, Carrie, listens.

*OPPOSITE BOTTOM* — Cast of Carousel gets ready for the clambake at Aunt Nellie's.

*ABOVE LEFT* — Pam Niles dances atop cast members before the clambake.

*ABOVE RIGHT* — Sailors gather at Aunt Nellie's.

*LEFT* — Billy Bigelow, Kevin Hardisty, kisses Julie Jordan, Liz Heiniger.

## *Woodmen diamondmen have disappointing season*

A disappointing season befell the Woodmen in 1972. The underdogs in almost every game, the team worked with a number of underclassmen. The team came from behind as the underdogs to win the Sectional Tourney and surprise everyone. The Woodmen jelled too late to be winners.

*OPPOSITE TOP* — A jumping home run was scored as catcher awaits the throw.  
*OPPOSITE FAR LEFT* — Watching the team were Coaches Gary Vandergriff and Ed Roush.  
*OPPOSITE LEFT* — Jim Boren beats the runner to first for an out.  
*TOP LEFT* — A sure strike from the pitcher's

mound.  
*TOP RIGHT* — Ready for the pitch, Woodman diamondman swings.  
*ABOVE LEFT* — Sam Shapiro watches defensive play, ready to move.  
*ABOVE RIGHT* — Jim Boren races to first — safe.

## *Williams outstanding trackmen for '72*

*ABOVE LEFT* — Bill Williams waits for the start of the relay.

*ABOVE RIGHT* — Rick Cannon receives the relay stick from Brad Napier during a meet.

*LEFT* — Val Mikesell, leading the pack, is given the go ahead from an official at a meet.
